(The final camp will be Carolina Courts, www.CarolinaCourts.com We will have a registration at our event hotel: Quality Inn and Suites 9420 East Independence Blvd. Matthews, NC 28105 (704) 443-3100 ask for the basketball rate.)

5. You will be required to have a valid passport to travel to Europe.

6. We anticipate spending 2-3 weeks of September 2010 in Europe this year on tour. Details will be provided upon arrival at camp.

Selection process: Each camp will be supervised by a member of the USA Select Executive Committee. Regardless of the number of participants, USA Select will choose the number of players we feel have the potential (not the promise or guarantee) of playing as a professional internationally. Players may get jobs right out of the camp! Of the players that do not get a contract, we then select what we feel to be the best 10-15 players for the European Tour 2010. Those players will be invited to travel to Europe for most of the month of September as a member of USA Select Basketball.

A lot of the expenses of the month in Europe are covered through sponsorships!!! We plan to play as many as 20+ games, scrimmages against some of the top teams in Western Europe.

We choose this time of year because the teams we play are still formulating their roster and are looking for players.

Typically, members of USA Select will provide their own transatlantic airfare and a rail pass (we purchase as a group for large discounts). If you get a job, your typical contract may include a reimbursement of your airfare, lodging, shared car, a meal arrangement of some kind along with your salary.

Quite often, we have signed players to contracts with the teams we play (right after event) as well as with teams who have come to scout us while we are on tour!

By actually bringing you to the action, we increase the likelihood of your getting the contract. You will actually compete on front of these coaches. It is extremely important that you come to camp in game shape!

Historically, our players have done quite well. Our recent trips have created successes (contracts/tryouts) for players from large schools (Wake Forest, Purdue, Duke University, NC State, Xavier, University of Tennessee, Colorado State, U Conn, Temple, St. Joe's) Mid Majors (Appalachian State, Davidson College, NC A&T, James Madison University, UNC Charlotte, UNC Asheville, Austin Peay State University, University of Rhode Island, Loyola, Youngstown State) to smaller schools (Belmont Abbey, NC Wesleyan, Mount Olive College and others).

We are not agents and do not charge you for representation. You do not need an agent to attend camp or go on tour. You are free to use your own agent. If you do not have representation, we will help you find an agent that we feel may be able to help you. Sean is well respected in many European leagues and has a great deal of experience helping players with their first jobs.

Additional questions will be answered at the camp or by phone call. Good Luck!
